TESTIMONIALS

Priyanka Modi Founder & Creative Director

In the first session, it became clear that this program is not to lead people, the only thing that you're here for is to lead yourself better.

Anshu Jain
General Manager

Unlike other workshops and programs, SKC doesn't impose its will on individuals. Instead, it inspires me to trust my own intuition, my "core". This method is both meaningful and liberating.

Varun Gaur Chief Technology Officer

Over the course of four days, we had a unique chance to engage in open and truthful conversations about our personal and professional actions and motivations. By participating in the envisioning workshop, I gained clarity and alignment in working towards our goals.

"Actualise your vision through finding your One True Purpose."
